Bedford, the 31<sup>th</sup> of March 2003

Dear M ■ A ■,

The vision was magnificent... And that's why I'm writing to you now with such urgency. When a mutual acquaintance asked me to look at what the future held for you, I couldn't possibly have expected such a revelation for you:

Yes M ■ A ■, it really seems as if the greatest stroke of luck of your entire life is just around the corner. The moment you've waited for so long, when everything will at long last be possible, that moment is here:

**It comes in the form of a £206,000 win that could be in your hands on the 20<sup>th</sup> of May 2003**

Even if you have difficulty believing it at the moment, you should read the following very carefully, and then there will be no more room for doubt: very soon you can be a very rich person.

#### **The £206,000 vision**

M ■ A ■, it is Providence that led our mutual acquaintance to talk to me about you, and as popular wisdom teaches us, the ways of Providence are truly inscrutable. In the vision I saw a fine golden rain falling onto a series of numbers, then, at 52 ■ ■ ■ Road I saw great joy and the cheque for £206,000.

Then the vision grew larger. I saw that you were buying all the things you've always wanted. You were happy and smiling. You had a vast circle of close friends, and everyone showed you genuine friendship, attention and love.

Everything was going marvellously for you, and then suddenly the vision became obscured, as though a black cloud had passed in front of the sun. You were sighing and hidden amongst the shadows... That's when I understood what had happened...

Your opportunity to win this large sum of money is absolutely genuine, otherwise I would never have received this vision. However, there are certain negative forces currently influencing your life that could hamper the manifestation of this stroke of good fortune. Because make no mistake, this is the greatest stroke of luck of your life, and you must grasp the opportunity. This type of good luck only comes knocking once, and if you don't answer the call it will go elsewhere.

So, in order to ensure that you don't miss out on this wonderful opportunity for happiness, I've decided to help you by performing a number of spiritual rituals entirely free of charge:

First of all, I intend to begin with the astro-psychic purification of your home. Your date of good fortune is very close now, so we must act as quickly as possible, and this initial purification of your home is the essential first step.

What's more, since I received this vision of you, I have already performed one remote ritual of purification on your behalf. But this first ritual must be reinforced before your date of maximum good fortune; I will explain how this can be done a little later.

Let me explain the importance of this ritual of purification: Do you ever feel ill at ease or uncomfortable? Do you suffer from dark, negative thoughts? Do you lack energy and enthusiasm? Do you feel as if bad luck is following you around?

These signs indicate that forces harmful to the materialisation of good fortune are present in your life. These negative forces can have many different causes. In your particular case, however, I believe that they are largely due to the presence of "parasites" from the astral plane that have entered your home and which "feed on" your chance to achieve happiness.

Once I have performed the great magical ritual of purification, your home will act like a sort of "receiver" for the waves of good fortune. No negative forces will be able to stand between you and your happiness.

This is the first thing that needs to be done in order to enable this good fortune to enter your life. But there are also other things that need to be done. Just before sending you this letter, I was working on your sacred pentacle of Divine Providence.

Since Providence has chosen you above all others to benefit from this exceptional good fortune, you must wear on your person the seal that links you to her at the precise moment when heaven pours down its treasures upon you.

**After spending many hours preparing it, your sacred pentacle of Divine Providence is now ready, and I will send it to you free of charge the moment I receive your reply. I will also begin the great ritual of purification that I spoke about earlier, and that's not all...**

Since I wanted to study your chances for happiness in the greatest possible detail, I have also prepared your personal astro-numerological reading. This thorough reading completes the vision that I had concerning you. I have written pages and pages of the most amazing revelations, each one more astounding than the last. I think I'd better just tell you straight out:

**After this incredible win that I saw written in your destiny, your life can change completely!**

In fact, you may well find yourself feeling somewhat lost, as if you'd suddenly passed from dark shadows into bright sunlight. This can prove to be quite a handicap, and to be perfectly honest, I think that you'll need some good advice to help you get through this decisive turning point in your life and make the most of your new found happiness.

This is why I want to send you your great personal reading absolutely free of charge. Why would I act with such generosity? And indeed, it doesn't end there, because I have yet another free gift for you! The reason for my generosity is simple: I believe that Providence has selected you to find true happiness, and I must therefore do what Providence has chosen for me, I must help you by putting my gifts at your disposal.

This is what I did when I wrote out for you your golden numbers. You must play these numbers in order to maximise your chances of winning the fabulous sum I spoke of earlier.

**SO YOU WILL RECEIVE, FREE OF CHARGE:**

- 1. **Your winning golden numbers**
- 2. **The great reading of your future that will reveal how to win this fabulous sum of money and how to stop any negative forces from coming between you and your future happiness.**
- 3. **Your sacred pentacle of Divine Providence**

As soon as I've sent these gifts to you, I will begin the great magical ritual of purification. In order to perform this ritual successfully, I will first need to capture your personal vibrations. So before you return the special order form at the bottom of this page, I would like you to place your left hand on the page and concentrate on your winning sum of £206,000.

Concerning the great magical ritual of purification, this too will be entirely free of charge. This magical ritual requires many long hours of preparation, as well as a lot of extremely rare incense, magical candles, and other magical elements.

Normally, a remote magical ritual of this magnitude would be extremely expensive to perform, costing over £120. All I ask from you is a small contribution to cover the basic costs of the ritual and towards the preparation and postage of your parcel, i.e. just £19.90.

Everything is set to happen on the 20<sup>th</sup> of May 2003, and if you want good fortune to enter your life just as the vision clearly indicated, you must act quickly. I must perform the great ritual of purification over the coming days, because an operation of this type can only be performed on certain particular astrological dates. So if you don't seize this chance now, you could be letting the greatest opportunity of your life slip through your fingers. In all honesty, you should now have all the proof you need of my good faith. I am sending you all these free gifts in order to encourage you to seize the opportunity you've been waiting for all your life. Why hesitate a moment longer?

Perhaps because of the small contribution I'm requesting for the postage of your parcel and the preparation of the magical ritual of purification? If that's the reason, let me reassure you that I am prepared to guarantee a full refund of your contribution if you are not rich on the date I have indicated.

M ■ A ■, a chance like this comes along once in a lifetime and it really is now or never. This is why I strongly urge you to complete the order form below and to return it to me as quickly as possible.

Yes, in just a few days time all your financial worries could become ancient history, but first, for heaven's sake, reply immediately.

A friend whom Providence has placed on your path
